

Dear Friends,

On this very special occasion, the 100th Anniversary of the founding of our beloved Saint George parish, it is with great pleasure that we honor the founders of our community. We recognize the commitment and dedication of our parents, grandparents and great grandparents with gratitude and reverence. Their perseverance, devotion and sacrifice during difficult economic times, not only led to the establishment of the Saint George parish, but also laid the foundation for the past 100 years.

As we reach this milestone, it is time for us to look to our future. In the spirit of our ancestors, we continue to build a thriving community with the same dedication that they embodied. As parishioners of Saint George, we can be proud of ourselves for building our faith and love of God, our Saint George Family, enduring friendships and community spirit. As we celebrate this anniversary, it is an opportunity to reflect on our rich history and to rejoice in our community.

As your parish council president, and on behalf of the parish council members, I thank all of you who give of yourselves, in countless ways, to support the church and our community. Your selflessness sustains us and is laying the foundation for generations to come.

May the next 100 years bring great prosperity and growth to our community.

God Bless us all,

Dennis W. Maniatis

Parish Council President
